

WASHTENAW COUNTY

REPUBLICAN PARTY

Dear Republican Leaders and Fellow Patriots,

On behalf of the Washtenaw County Republican Party, by and through its Executive Committee, we respectfully submit the attached resolution opposing any application for an Article V Convention of States. This resolution reflects our deep commitment to constitutional fidelity, limited government, and the preservation of individual liberties.

We urge the Michigan Republican Party (MIGOP) to adopt this resolution and formally submit it to the Republican National Committee (RNC) for consideration. We believe this action will help safeguard the Constitution and influence Republican leadership across all 50 states to reject the dangerous and untested process of a modern constitutional convention.

Please review the attached resolution and join us in defending the Constitution through principled, historically grounded, and state-based remedies.

Sincerely,

Washtenaw County Republican Party, Executive Committee
